President's Message —

It was good to see everybody at the meeting. Everything is set up for the December dinner. It will start at 6:30 p.m. at the Golden Corral located at 3399 West 3500 South, in West Valley City.

We have had it there before - a couple of years ago. Just come in, pay for yourselves, and let them know you are with the Token club. We will collect the tip and pay it last.

We have a lot of nice drawing prizes, and some giveaways.

The date is December 14, 2006. I hope everyone will be able to attend. Come and enjoy.

Don Swain

NOVEMBER'S MEETING

Mel Milgrom and Don Swain were our speakers for this month. They both did a very good job. Mel talked to us at great length about the Denver Mint, and his experiences while visiting there. He also gave us tips on Metal Detecting, and even gave us "tips" on where *not* to purchase our metal detectors. You get out of metal detecting what you put into it. Most importantly - he told us to always ask permission to detect private property. Don gave us several tips as well. Phil Lavorgna filled us in on his trip to Florida.

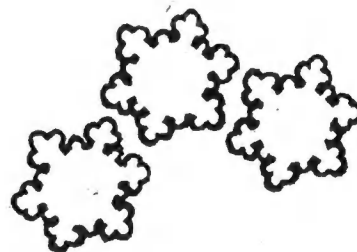

For the elections last month there was only one change - Newsletter Editor - Mary Farnsworth will be your Newsletter Editor for 2007. She'll make a great Editor. Leara appreciates all of everyone's participation and support this past year.
